Ganit Bikash: A Bilingual (Assamese and English) Quarterly Mathematics Magazine published by Dr. Ashish Paul, General Secretary, Assam Academy of Mathematics.

Assam Academy of Mathematics, a non-profit Academic Voluntary organization was established on 18th July, 1986 to promote and popularize mathematics study and research in Assam. Since inception, the Academy has been publishing a bilingual (Assamese and English) popular magazine on Mathematics, popular mathematics books in Assamese, research journal, etc. It is also organizing Mathematics Olympiad to spot young mathematical talents of the state and academic programmes across the state in fulfillment of the aims and objectives of the organization.

Registration No: 4097 of 1991-92 under Societies Reg. Act. XXI of 1860.

The first volume of Ganit Bikash was released during the first Annual Congress of the Academy held on 18-19 July 1987. Since then Ganit Bikash has appeared regularly twice a year until the July-December issue 2020. Starting from the January 2021 issue, Ganit Bikash is now published quarterly.
