The Assam Mathematics Olympiad is an initiative by the Assam Academy of Mathematics to identify mathematical talent among the students of Assam and to encourage them to pursue their passion for mathematics. A number of training programs are also organized under the aegis of AAM to nurture the young talents and prepare them for the national level olympiads IOQM and INMO. The AAM family offers best wishes to all the participants of AMO 2022 for their keen interest in mathematics and hopes that the interest will keep growing.
